

## ROASTED PEANUTS

### DIRECTIONS:

1. Preheat the oven to 350 degrees F.
2. Rinse the peanuts under cool water to remove excess dirt. Pat dry and place in a large bowl and toss with the peanut oil and salt until well coated.
3. Place on 2 half sheet pans, making sure to spread them out into a single layer. Roast in the oven for 30 to 35 minutes, rotating the pans halfway through cooking.
4. Once you remove the peanuts from the oven, let them cool slightly before eating. They will continue to “cook” and become crunchy as they cool.

### YOU WILL NEED:

- 2 pounds in-shell raw peanuts
- 2 tablespoons peanut oil
- 1 to 2 tablespoons kosher salt

Toll-Free Number: (888) 704-3663
